## Section 1: DEFINITIONS

1. **COINSURANCE:** Percent of the established fees that the member pays directly to the dentist when receiving services, according to the Summary of Coinsurance presented at the end of this endorsement.
2. **DENTIST:** An odontologist legally authorized to practice the profession of dentist.
3. **FEE SCHEDULE:** The fees established by Triple-S Salud for the services covered under this endorsement. Both the participating dentist and the member agree to accept these fees as the total payment for each service covered under the dental endorsement. These fees are subject to the terms and conditions stated in this endorsement.
4. **MAXIMUM BENEFIT:** Maximum limit of benefit amounts per lifetime or policy year.
5. **NON-PARTICIPATING DENTIST:** A dentist that has not signed a contract with Triple-S Salud to provide dental services.
6. **PARTICIPATING DENTIST:** A dentist with a regular license issued by the corresponding governmental entity, who is a bona-fide member of the College of Dental Surgeons of Puerto Rico and has signed a contract with Triple-S Salud to offer dental services.
7. **PREDETERMINATION OF BENEFITS:** Authorization of the treatment plan suggested by the dentist prior to the provision of services.
8. **TREATMENT PLAN:** A detailed report on dentist-recommended procedures to treat the dental needs of the members. This report can be found in the evaluation carried out by the same dentist.

## Section 2: COVERED DENTAL SERVICES

Triple-S Salud dental coverage is designed to add benefits to your basic dental coverage. Please refer to the limitations and exclusions sections, which take precedence over the benefits described in this section. The covered benefits are subject to the payment policies established by Triple-S Salud. We encourage you to talk with your dentist about the applicable rules and limitations, as per the Participating Dentist's Manual, before receiving services.

### **Section 3: LIMITATIONS**

#### DIAGNOSTIC, PREVENTIVE AND RESTORATIVE

- The complete series of radiographic images or the panoramic radiographic image is covered no more than one every three (3) policy years, per insured person, and they are mutually exclusive one of the other.
- Fissure sealants are covered for children under 14 years of age and are covered, one per tooth per life, in permanent posterior teeth not occlusally filled.
- Amalgam (silver) and composite resin restorations are covered, one (1) every two (2) years per tooth and surface.
- Fixed space maintainers are covered for minors under the age of 14, one per quadrant or arch, per lifetime.

#### ENDODONTIC

- Apicoectomies, treatments and canal retreats are covered one per lifetime, per tooth.

#### PROSTHETIC

- Covered prosthetic services are subject to a \$1,000.00 maximum benefit per policy year, per member.
- The amount that is not used in a policy year is not transferable to the following policy year.

- Fixed crowns and bridges are covered up to one (1) every 5 years per tooth or area, subject to Triple-S Salud's service predetermination. To cover a fixed bridge, natural teeth must be present on both sides of the edentulous area.
- Fixed and removable prosthesis are limited to one every 5 years.

#### ORAL SURGERY

- Removal of torus palatinus, up to one (1) per maxillary arch every 5 years
- Removal of lateral exostosis and removal of torus mandibularis, up to one (1) per quadrant, every 5 years

#### ADJUNCTIVE GENERAL

- The hospital call service is covered one every 6 months per insured for dental services that are performed in the operating room under general anesthesia in a hospital or in an outpatient surgery center where the health condition and circumstances of the patient do not allow services to be performed in the dental office and that general anesthesia is considered the last alternative.

### **Section 4: PREDETERMINATION OF SERVICES**

When the member uses services from participating dentists, they will be in charge of requesting Triple-S Salud a predetermination for the services that require one, before offering them.

### **Section 5: INDEMNITY TO THE INSURED PERSON**

If the insured person receives covered services from a non-participating dental surgeon in Puerto Rico or services outside of Puerto Rico, Triple-S Salud will reimburse the insured person for the amount that is less between the expense incurred and what would have been paid to a participating provider in Puerto Rico for the same service, according to the rates established by Triple-S Salud, after deducting the applicable coinsurance. These services are subject to the limits set forth in this endorsement.

### **Section 6: EXCLUSIONS**

Triple-S Salud will not pay for the following expenses or services, unless otherwise stated:

1. Any service that is not included as a covered service in the description of this coverage
2. Endodontic treatments for primary (deciduous) teeth
3. Root canal retreatment, in case of a resulting endodontic infection if the member did not get the tooth properly restored
4. Periodontic and orthodontic services
5. Dental implants and all related services, except crowns over implants when a natural tooth is present on both sides of the edentulous area, which makes a conventional fixed bridge viable.
6. Permanent crowns for primary (deciduous) teeth
7. Services for aesthetic or cosmetic purposes

**Section 7: INDIVIDUAL ELIGIBILITY**

Non-retired employees and their direct insured dependents in the group policy, who are sixty-five (65) or older, may subscribe to the benefits of this dental coverage. The eligibility of optional dependents will end when they turn sixty-five (65).
